WARNINGS AND SAFETY INFORMATION

storage / expiry date	Store product in original packaging in a cool and dry place without additional weight, protect from direct sunlight. Do not store near ozone sources (laser printers, copiers). An individual risk assessment must be carried out in each case.
use and control	Only ever use the product for its intended use. A check/risk assessment must be carried out to ensure that the product is suitable for the intended use. Ensure that the size matches that of the user. Do not make any changes to the product. Make sure that the product has no defects and is in good condition (no holes, unstitched parts, etc.). This product is intended for single use only
disposal	The used product must be disposed of in accordance with the disposal regulations of the local waste disposal company. Unused products can be disposed of with household waste.
warnings	Slip hazard in wet conditions: The socks provide slip-resistant protection on dry floors, but may be less effective on wet or slippery surfaces. Not suitable for outdoor use: The anti-slip socks are designed for indoor use and may not provide the necessary grip on outdoor surfaces such as asphalt, stone or similar surfaces. Only use on intact floors: Inspect the floor before use. Damaged, cracked or uneven floors may affect slip resistance. Only put the product on when dry: Moisture on the skin or socks can impair adhesion and increase the risk of slipping. No protection against sharp or hot surfaces: The socks offer no protection against sharp objects or extremely hot surfaces.

*slight deviations possible due to standard tolerances
