| <b>storage / expiry date</b>            | Store gloves in original packaging in a cool and dry place without additional weight, protect from direct sunlight. Do not store near ozone sources (laser printers, copiers). The actual expiry time in use cannot be specified in general terms, as it depends on the general conditions of use. An individual risk assessment must be carried out in each case. The expiry date - valid for proper storage - is stated on the packaging. |
| <b>use and control</b>                  | Always use gloves only for the intended use and in the correct size. A check/risk assessment must be carried out to ensure that the gloves are suitable for the intended use.<br>Check gloves for holes or damage before use.                                                                                                                                                                                                               |
| <b>disposal</b>                         | Used gloves must be disposed of in accordance with the disposal regulations of the local waste disposal company. Unused gloves can be disposed of with household waste.                                                                                                                                                                                                                                                                     |
